## Progression Policy Year to Year

Youthreach Ballinrobe offers access to training on a yearly basis. The duration of the training for the learners is outlined in the Operation Guidelines for the Youthreach Programme.

Students can re-apply at the end of the year and they will be re-interviewed along with their parent(s)/ guardian(s) where appropriate to examine the suitability of Youthreach Ballinrobe for the following year. Participant's attendance, time-keeping and level of co-operation will be reviewed at the interview.

YOUTHREACH is funded by the Department of Education and Science and Enterprise Trade and Employment with the assistance of the European social fund
